

I want to express my heart felt thanks to you all for the care, compassion, kindness and most of all love that you showed towards my dear old Dad in the last months of his life.

Netley Court is a very special place. The location, setting and interior design are perfect - but what makes it so special is the people.

The tireless enthusiasm, care and concern that you show towards every resident (however difficult!) is exemplary. What was so lovely to see was the greeting Tony received both on his 90th birthday and on his return from Countess Mount Batten Hospice.

Tony enjoyed every activity, especially the quizzes, cooking and poetry. His life changed from a rather solitary existence in his own home to a wonderful friendly, community life at Netley.

I would love to mention you all by name

Tony's "special" guys are!
Mark - you really do have a perfect team.

IT REALLY WAS SO
SWEET OF YOU
AND IT MEANS SO
VERY MUCH...

THAT'S WHY THIS
BRINGS A WORLD
OF THANKS
FOR YOUR THOUGHTFUL
TOUCH.

With very best wishes
and so many thanks,

Sally Hett
